Message from the Principal

Greetings!

We successfully held our Annual Sports Days this week. Sports Days are always memorable for students as an alternative learning. Athletes can show their talents and students can learn to co-ordinate large-scale activities, like the cheering teams. While junior form students can learn from the senior form students, teachers and students are able to interact in a different setting, like cheering up S.6 students together. It is really an invaluable experience for our students. I would like to thank for all teachers-in-charge and students who helped co-ordinate the events.

This year, we invited Mr Wong Man Wai, a famous local football player in 1980s, to be our Guest of Honour. After retirement, Mr Wong keeps training teenage and adult football players to join the voluntary work. He is a role model to students via his contribution to the society.

Latest Notices (Excerpt):
